R. Gist To National Jamboree

Roger Gist has been selected among seven scouts from the Randall District of Llano Estacado Council of Boy Scouts of America to attend the National Jamboree for scouts in Farragut, Idaho.

Gist, 18, son of Mr. and Mrs. R. B. Gist, Jr. of Canyon, will leave Tuesday in preparation for the camp where he will be working "in one of the trading posts."

An Eagle Scout, Gist has been involved in the scouting program for eleven years and is now junior assistant scoutmaster for Boy Scout Troop 31 here. He graduated from Canyon High School this spring.

Joining Gist at the national jamboree July 16-22 will be six other Canyon scouts including Randy and Ricky Lyles, sons of Mr. and Mrs. Roy Lyles; Eddie Jacobs, son of Mr. and Mrs. Jerry Jacobs; Sheldon Johnson, son of Mr. and Mrs. Craig Johnson; Chris Moreland, son of Mr. and Mrs. Lee Roy Moreland; and Alan Mardis, son of Mr. and Mrs. Ralph Mardis.

Also slated to travel with the local scouts is George Ochs, district scout executive from Hereford. Jamboree Troop 21-22 scoutmasters will be Jack Bryant of Amarillo and Jimmy Pigman of Dalhart.

An estimated 60,000 scouts from all nations are expected for the jamboree camp. A practice campsite session for local scouts was held during June at Camp Don Harrington.

Music Camp Enrolls 24 From City

Twenty-four students from Canyon senior and junior high schools have enrolled in the 17th annual West Texas Music Camp at West Texas State University July 13-25.

Dr. John E. Green, dean of the university's School of Fine Arts and camp director, said a record 865 students from 81 towns in Texas, Wyoming, Oklahoma, New Mexico, Kansas, California and Arizona will participate.

Gary Zook, band director at Canyon High School, has been engaged as a member of the staff and will teach saxophone and conduct one of the reading bands.

Terry Milligan, band director at Canyon Junior High School, will teach drum majoring and instruct rhythm classes.

Canyon students planning to attend are Leslie Baird, Chris Blasdel, Kay Chitwood, Bruce Grager, Teddi Crager, Kim Durden, Brad Garner, Ricky Jones, Patty Lovelady, Sharon Lumry, Sarah Beth Meyer, Dana Pederson, Deborah Ramaekers, Henry Ramaekers, Doug Rittenberry, Vickie Ritter, Debbie Rossi, Andrea Shepic, Jeff Shepic, Charles Smith, Gail Thompson, Jimmy Tilger, Ric Wester and Keith Zook.

Little League Names "Stars"

Members of Little League teams were named Wednesday to the All-Star team, according to Bill Davis.

Members of the All-Stars are Stan Bernard, Ricky Bauer, Mark Byars, Ken Cooper, Phil Davis, Tom Dawdy, Kyle Drumm, Ronnie Hicks, Steve King, Gary LaGrone, Steve Lehman, Hoss Ratliff, Steve Wilbur,

The city has begun work digging trenches to bury trash at the city dump ground northwest of Canyon. Trenches will comply with a new state law forbidding the burning of trash.

Work On City Dump

No Trash Burning Permitted By Law

Workers began Tuesday digging trenches at the city dump grounds to change the city's burning operation to a sanitary land fill in accordance with state law.

The changes is in compliance with state air pollution law which prohibits cities with populations of more than 5,000 from burning trash. Tuesday was the deadline.

Mayor Paul Lindsey said that the city had also begun preventative measures to keep rats out of the city when they no longer have a food supply.

Mayor Lindsey said poison had been placed at the dump grounds the past few days and that it seemed to be a success.

"The rats have eaten all the poison we've put out there so far," he said.

Mayor Lindsey said earlier that the city could have a problem with the rats because they might come into the city when their food supply is buried. The poison will be placed at the dump grounds indefinately, he said.

Another problem connected with the change is the disposal of tree limbs and wooden articles.

Lindsey said that for the present the tree limbs would be stacked at the dump grounds and would be pushed into the canyon and buried at a later date.

"We will try to comply fully with the law and not burn any of the trash," he said.

Power To Be Off At WTSU

Electrical power on the campus of West Texas State University will be turned off July 11 through 13 while a new $100,000 electrical distribution center is being installed.

John Boone of the maintenance department said all power would be turned off Friday, July 11, except in the business administration building and the University Complex South.

Boone said that they hoped to sectionalize the campus on Saturday so that power would be off in only one building at a time.

He said the power should be on in all buildings Sunday.

The new system, Boone said, will allow the power to be turned off in one building without having to turn the power off all over the campus.

In case of an outage, only the building affected would have to do without electricity, he said, until corrections are made.

The last day of classes is Thursday, July 10 and Boone said that all the students should be off the campus by July 11 in order that they can make the change.

Soldier Writes From Viet Nam

BY AN ANONYMOUS SOLDIER

A cloud passes over the moon like a moth circling a light. A cloud so light as to be a mere fantasy on the breeze and a moon bright enough to illuminate the Navy river boats floating amid the quietness of the Delta.

A cricket sounds its call from the ship anchored near and an engine hums far off in the stillness.

A calming aloneness can be found now. A loneliness more soothing than the companionship of a hundred buddies during the long sweltering days.

Soft strains of music float from your radio. Music from home halfway around the world. Another radio can be heard emitting the same notes of music from an undetermined direction, reminding you that there exists one more person in the night.

The letters haven't come yet. The week-old letters delivered in a sudden flood followed by a seemingly interminable drought. A solitary link with family and friends fifteen thousand miles away. Even an overdue bill is welcome here. Anything to break the spell of separation.

In four more hours the sun will paint the sky pink, then blue. Soon after another day will begin. Another day of heat and diesel exhaust. Another day of operations like the last. Troop insertions up long, narrow, winding canals. Firefights with unseen enemies. Doubts, worries, fears seeking out every corner of your mind.

The night will return though. Maybe with no moon or maybe with pouring rain, but still with the chance of a moment of quieting thought or an unsaid prayer. Truly the nights are a great companion to a serviceman in Vietnam.

Babe Ruth All-Stars Play Pampa

The baseball team from Fannin Junior High School with Joe Hamrick as coach took first place in the Babe Ruth league this season.

Second place winners were the Giants with Duane Guy as coach. The White Sox with Coach Tommie Terrill and the Pirates with Coach Weaver tied for third place.

Fourth place winners were the Cardinals with Jay Davis as coach.

The Babe Ruth All-Stars will play Pampa in the All-Star game at 7:30 p.m. July 11 in Canyon.

Members of the Babe Ruth All-Star team are Mike Morrow, David Pope, John Adamson, Daryl Curtis, Mark Vaughan, Bill Moore, Mickey Comer, Ronnie Cates, Gary Gerber, Keith Drumm, Sammy Kerbel, Edwin McBride, Wally Padgett, Curtis Alexander, and Dwight Brandt.

Alternates are Gary Byars and Kenny Jones. The manager is Joe Hamrick and the coaches are Charles Richardson and John Wright.

A 13-year-old tournament will be held July 7 and 8. Two games will be played both days.

The 13-year-old All-Star team members are Marc Guy, Scott Keeling, Gene Maxwell, Brad Garner, Terry Slagle, Mark Freeman, Andy Cooper, Chuck Drumm, Wayne Pitt, Doug Day, Gary Bednorz, Kevin Robins, Ed Lair, Rex McPherson, Marty Hamrick and Jiggs Founds. Coaches are Duane Guy and Tommy Terrill.

Within Two Weeks

Begin New CJH

Work will begin within the next two weeks on Canyon's new junior high school building.

A contract for construction was let Thursday night of last week to the John F. Moss Company of Amarillo for $1,232,175 for the new building.

A spokesman for the contractor Tuesday said work on the new building will begin as soon as the contract is signed. "We're anxious to begin as soon as possible because there is a lot to be done in a limited time," a company representative declared.

The amount of the contract was $166,753 more than funds already set aside for the building but school authorities believe they can come up with the cash for the construction.

It is also $139,520 more than estimated cost in April of 1968 a month before the bond election to provide funds for construction of the new building.

School Superintendent Jerry Jacobs enumerated six means of raising the necessary money. He said about $25,000 in interest will be earned by the bond money before it is used.

Also listed was the possibility of an additional bond issue. This was immediately ruled out by the school board.

He noted that a new law permits issuing of $60,000 in time warrants and said $12,500 to be received from the state as incentive aid because of the Umbarger annexation can be used to retire the warrants.

Jacobs said the board could lower the school district's interest and sinking fund tax rate, add the amount to local maintenance and use some of the interest and sinking fund balance to make bond payments. He noted that the interest and sinking fund balance will be about $119,500 by Aug. 31.

The superintendent said some of the furniture and equipment for the new building could be purchased from local maintenance funds.

No action was taken on the suggestions at last Thursday night's board meeting.

Six bids were submitted. Highest was $1,255,043.

Board members and Architects Russell Megert and Clayton Shiver were generally pleased with the bids.

Construction on the new building is expected to require about 18 months but most of it should be ready for occupancy by September of next year.

The superintendent briefly discussed the new teacher pay raise law recently passed by the legislature and signed into law by the governor.

Robert Brask of Stockholm, Sweden, and Patti Waugh, study Robert's schedule for the remainder of his summer stay in the United States. Robert is visiting the Kenneth Waugh family on a Lion's Club Exchange program.

Swede Says Problems Same

BY ELAINE PEEPLES

Swedish young people, even though they are on a different continent and in a different situation, have some of the same problems and dissatisfactions as do American young people in the 20th century.

This is the opinion of Robert Brask of Stockholm, Sweden, who is visiting with the Kenneth Waugh family six weeks this summer through the Lions Club Exchange program.

Robert will be in Canyon until July 13. He will then tour Arkansas, Tennessee, Virginia and Washington, D. C., before going to New York to return to Stockholm.

Robert said the biggest problem that the majority of Swedish young people have is with the schools.

"We are dissatified with the marks system," he said. The Swedish schools use a grading system of marks from one through five, Robert said.

He said most students feel the schools should use more marks to grade students adequately and the system should be made uniform all over the country.

In Sweden, the students have trade unions for all young people who go to high school, Robert said.

"They make it better for the students with new systems," he said, "and they represent us with the government." Robert said he feels that this is a good system.

All workers in Sweden are represented by the same type of trade unions and Robert said this system works very well because Sweden hasn't had any strikes in their industry for many years.

Robert said there was also a small, very active minority in Stockholm who demonstrate against the Americans.

"This minority is mostly communists who are not satisfied with the Vietnam war," Robert said. He said this minority is usually concerned with foreign problems and not the problems in Sweden.

When asked how he felt about his country giving political asylum to American deserters from Vietnam Robert said, "I wouldn't like to fight in Vietnam and perhaps there are many people who find it hard to adjust to fighting and they have no other place to go to,"

"The Swedish government would take deserters from any

OpenHouse Successful

About 1,500 to 2,000 people toured the facilities of the new Hunsley Hills Country Club and Golf Course Saturday and Sunday during the open house, according to Tom Rose.

Mrs. Larry W. Cook of 1004 7th Street in Canyon was the winner of the set of irons given as a door prize, Rose said.

Rose said that quite a number of new members were signed during the two days and that he felt interest in the club was high.

The invitation for the public to tour the facilities is still open, Rose said. The club is continuing its membership drive.

Most Businesses To Close Fourth

Most offices and businesses will be closed on the 4th of July in Canyon and area resorts will be full.

All city and county offices will be closed Friday as will the First National Bank and the West Texas State Bank.

Classes will not be held at West Texas State University Friday.

The Post Office will provide box service and dispatch service but there will be no deliveries made Friday. Regular delivery will resume Saturday.

The Panhandle Plains Historical Museum will be open its regular hours from 9 a.m. to 5 p.m. Friday, according to Boone McClure.

Most businesses except grocery stores will be closed.

Officials at Palo Duro Canyon State Park said that about 900 cars were expected at the canyon Friday. The number of cars at the park last year on the 4th was 867, a spokesman said.

From 2,000 to 3,000 persons are expected at Buffalo Lake Friday. About 10,000 persons visited the lake last year. Officials at the lake said that the season had been light this year due to the carry over from the pollution problems and because no fishing is allowed at the lake.

About 250 people are expected at Lake Tanglewood. Only residents of the lake and their guests are allowed to fish, boat or use the golf course.

Tickets to "TEXAS" are expected to be sold out for the Friday performance but a few tickets were still available Wednesday.

A watermelon feast and fireworks display will be part of the July 4th celebration in Canyon. The event will begin at 8 p.m. in Conner Park.

The Conner Park swimming pool will open at 1 p.m. Friday and close at 7 p.m.

No fireworks are allowed in the city limits by residents because of the fire hazard and the hazard to the residents themselves according to Capt. Joe Rice of the Canyon Fire Department.

Rice urged everyone to be careful with fireworks and said that the fire department would help the police department to enforce the ordinance.

The penalty for violations is a fine of up to $200.

He said that the Department of Health, Education and Welfare estimated that from 5,000 to 15,000 persons a year lose either their sight, fingers, hand or are permanently scarred from fireworks.

Ex-Student Committee

The executive committee of the Canyon-Happy Ex-Students Association of West Texas State University has been named with Bob Bellah as chairman.

Other officers are Jack Haley, vice-chairman; Dean House, secretary; and Clarene Eugene Thompson, chairman of the membership committee.

Members of the committee who will serve two-year terms are Dr. T. Paige Carruth, Haley, House and Burl Sims.

Serving one-year terms will be Bellah, Frances Foster, Mrs. Dorothy Neblett, and Thompson.

The executive committee was named Friday at a meeting in the Red Barn Restaurant.

Active (WT exes) and associate (non-exes) members are permitted in the organization. Membership dues are $2.50 per person.

The chapter will meet three times a year, once for the election of officers and again for the business meeting.

Stars-Mothers In Ball Game

All-star girls softball team will play their mothers at 4 o'clock Friday afternoon in the Babe Ruth ball park.

Special umpires will be Sheriff Slim Johnston and Justice of the Peace Bill Wilson.

Melon-Eating Contest Slated

BY ELAINE PEEPLES

To win a watermelon eating contest, is it better to starve or practice eating watermelon every day?

This is the dilemma of 300 members of Canyon Little League teams who plan to enter the watermelon eating contest being held in connection with the July 4th celebration in Canyon.

The answer should be evident Friday.

The contest for children ages one through 13 will begin at 8 p.m. in Conner Park following the playing of the national anthem and a prayer, according to Winston Hall, chairman.

The three top winners in the contest will assist Canyon club members in lighting fireworks. Free watermelon will be served to all who attend the event.

The fireworks display will begin immediately after the contest on the Little League field across from the park, Hall said.

Entertainment will be provided by a German band and a country-western band.

The July 4th celebration is being sponsored by six Canyon organizations; the Rotary Club, Veterans of Foreign Wars, Kiwanis Club, Lions Club, the Jaycees, the Chamber of Commerce and the ROTC.

Residents from the entire Panhandle are invited to attend the event, Hall said.

Members of the committee planning the celebration are Bill Davis and Ralph Mardis of the Rotary Club, Shortie Flowers and Cal Stevens of the VFW, Hall and Earl Clifford of Kiwanis, Capt. John Osbourne of the Lions Club and Weyman Brown of the Jaycees.

Happy JCs Win Honor

A top United States Jaycee honor for leadership in the field of Americanism, Governmental and Public Affairs has been recently awarded to the Happy Jaycee chapter.

The Happy chapter was recognized with third place and presented with the award at a luncheon held in Freedom Hall in Louisville, Kentucky in conjunction with the national convention. The chapter received the award in the 0-4,000 division.

Programs carried on during the year under the heading of Americanism, Governmental and Public Affairs included the voter registration drive, legislative action efforts, and basic public courses in good local and state government procedures.

County Finishes Wheat Harvest

Wheat harvest season for all practical purposes is over in Randall County, according to John Brazzil, Randall County Agent.

"The very few fields that remain are small in size and it is just a matter of a day or so," Brazzil said Tuesday.

The last load of wheat was brought to the Umbarger Coop Sunday afternoon, a spokesman said.

Irrigated wheat in the Umbarger community averaged about 40 bushels per acre with dryland yields of 10 to 21.

The Consumer's Elevator in Ralph Switch received one load of wheat Tuesday morning but a spokesman said he considered the harvest to be completed.

Dryland yields have averaged from 11 to 23 bushels per acre there.

It was reported from Consumer's Elevator in Canyon that by the end of the week everyone should be finished with the harvest.

Dryland yields in the Canyon area have been in the 15 to 18 bushel range with irrigated yields near 45 bushels per acre.

Brazzil said the wheat crop in all areas had been good this year. The test weight has been above 60 lbs. per bushel and the grade is very good, he said.

Girl Eagle An All-Star

Pam Richardson of Canyon High School will play in the 13th annual girls' basketball All-Star game at 8 p.m. July 19 in Duncanville, Tex.

The game will be held at the conclusion of the summer coaching clinic sponsored by the Texas High School Girls' Basketball Coaches Association.

Miss Richardson will be a forward on the North All-Star team. She was chosen by the directors of the association for her outstanding playing ability.

Miss Richardon will be in Duncanville July 17 for a two-day practice session before the game.

Bob Schneider, coach at Canyon High School, will speak to the association members July 18 on "Coaching Techniques and Drills Used to Teach the Pressing Defense."

by Troy Martin
FROM THE CANYON RIM

I'm afraid the days of free enterprise in this country may be numbered, not because the government will seize property but because the people may want it that way.

I recently talked to a brilliant young person who soon will graduate as an economist. This student has no desire to take a job in free enterprise.

"I don't want to contribute to the capitalist system," the student declared. This particular student wants to go into government service.

I know another student who will use a brilliant mind in the mathematical field, probably also in government service.

Most of these young people simply are bored with the thought of pursuing dollars. They were born to affluence.

They belong to a generation in which there IS a chicken in most pots and two cars in many garages. This disturbs me but I am past 30, beyond the generation gap.

I know Cicero complained about the disrespectfulness of Roman youth, idleness of the rabble and wastefulness of the military.

It's just natural for younger and older generations to eye each other with distrust. Each has a different approach.

My generation started out in the 1940s to abolish dictatorships from the face of the earth. More of the world today is under totalitarian rule than on Dec. 7, 1941, when bombs fell on Pearl Harbor.

My generation sired the H-bomb, napalm and war without victory.

Through the agony of World War II, I'm afraid we accomplished little that would recommend us as paragons of virtue.

Maybe the younger generation has plenty of reason to say: "See what a sorry mess you've made! We will do better."

And better they will do.

But before you write us off as utter failures you might do well to remember:

My generation discovered penicillin, a polio preventative, DDT, blood plasma and a means for transplanting vital body organs.

We opened up the infinite vistas of Heaven through space travel so that your generation may literally reach for the stars.

Think twice before you discard all the old ways, the old institutions, the old systems.

Question us for you must. That is your destiny. But question us with full comprehension that two decades hence another generation will hold you in the dock for questioning.

Remember also that you must stand on the foundation of history if you are to probe the future with success.

We will see mass killings on the nation's highways again this week end as the country celebrates Independence Day.

Here are some statistics which give reason for sober thought.

In all the wars in which the United States has been involved since 1775 through 1968 some 1,161,007 Americans have died.

Just since 1900 the number of Americans killed in highway accidents come to 1,721,754.

Secretary Hardin May Visit County

Eighteen members of the House Agriculture Committee and possibly Secretary of Agriculture Clifford Hardin will be in Randall County July 18 through July 20 as part of a Panhandle tour to inspect agriculture.

Rep. Bob Price of the 18th Congressional District and a member of the agriculture committee, said Wednesday that Sec. Hardin would make the trip if he is not needed in Japan on grain agreements.

Other members of the committee to be making the trip are Undersecretary Clarence Palmby, Undersecretary Phil Campbell, Deputy Secretary Williams Galbraith, and Jim Smith, administrator of the Farm Home administration.

Several members of the committee as well as members of Price's staff will make the tour, Price said.

The group will arrive in Amarillo late on the night of July 17 unless legislative business delays the trip until July 18, Price said.

He said that plans for the trip were tentative as the schedule had not been completed.

The group plans to begin the tour at the Randall County Feed Yards and then visit the Corn Starch Factory and view the crops in Dimmitt.

They will have lunch in Hereford and tour the Holly Sugar Plant and the feed yards and vegetable crops there before going to Friona to see the packing plants.

In Plainview, the group will visit the High Plains Research Foundation where Price said he would invite persons from Lamb, Bailey, Swisher and Briscoe Counties to see the experiments.

The group will also tour the castor bean oil plant and the Jimmy Dean Hog Parlor and Packing House in Plainview.

A reception and dinner with various agriculture and civic leaders will be held in Pampa the night of July 18th, Price said. The steaks for the dinner will be furnished by the Texas Cattle Feeders Association.

Saturday morning the group plans to visit the Hill Chemical Plant in Borger and then meet with people from Moore and Dallam Counties to meet the group in Stratford for lunch and to view the crops there.

In Perryton, people from Ochiltree, Hemphill, Roberts and Hansford Counties will meet with the group.

Price said plans were to fly back to Canyon for the barbecue in Palo Duro Canyon State Park and for the performance of "TEXAS" Saturday.

Sunday morning, the group hopes to have a breakfast in the park at Memphis to meet with leaders from Collingsworth, Donley, Armstrong and Carson counties. They will see the short staple cotton and the cotton grading station in Memphis.

The group will then fly back to Amarillo for the return trip to Washington.

News Brief

Mr. and Mrs. James Latimer of Canyon and her parents, Mr. and Mrs. Clarence Stanley and children, Edward, Margaret and Randy of Kress are vacationing at Cloudcroft, New Mexico during the July 4th holiday.

Also joining the group wil be Mr. and Mrs. Fred Standifer, Jr. and Son, Michael, of Levelland.

Letter To The Editor

Mr. Troy Martin, Editor
The Canyon News
Canyon, Texas 79015

Dear Mr. Martin:

Please allow me to express my personal agreement with your comments upon Vietnam and with your interpretation of the statements of President Eisenhower on Vietnam. As you stated one million Viet men, women, and children, eight-hundred thousand of them Roman Catholic, fled to the South in 1954 to escape coming under communist rule. As far back as 1945 and 1946 the Viet-Minh, or Vietnam Communist organization, murdered numerous Vietnamese political, religious, and academic critics of the Ho regime. In South Vietnam murder and terror have been the standard political instruments of the Viet Cong. In the North special "People's Agricultural Reform Tribunals" sentenced to death in 1955 Viet farmers who resisted the "Collectivization of Agriculture" by the communist government. These facts should be an effective answer to the falsehood of a kindly "Uncle Ho" enjoying the free support of the Viet people.

This is the time when we wish to express our profound gratitude for the achievements and the sacrifices of our American service men and women in this long and difficult war.

Sincerely,
John K. Kahler

Our World

BY ANN BROWN

Millions of dollars are being spent to teach our children--beginning with kindergarten--the mechanics of mating; instruction they need about as much as geese need to be taught to fly south. Sex is an activity children should not be involved in for another 10 to 15 years. Would it not be more profitable to teach them the mechanics of government subsidies--something everyone is involved in right now.

Ralph Abernathy has demanded a subsidy for the poor, on the grounds that the government subsidizes railroads, shipping, airlines, education, and farmers. Reasonable?

Certainly, the taxpayer who pays the subsidy is entitled to know the score. The government has always paid subsidies for the same reason a farmer buries seed in the ground: He expects a profitable return on his investment.

Probably no man or company of men could have built the railroads. Since everyone profits from the railroads, why not help build them?

The same is true of shipping, education, and, to some extent, the airlines. Farming is different. In the first place, farmers do not want the subsidy; it is the bane of their existence. All the farmers want is a decent price for their produce, and for the government to get off their farms and stay off.

American farming is big business. It is equal to 75% of the total investment in industry. The farmer has more money and labor invested in his product than any other major business in the world, yet for the last 40 years he has been forced to sell his produce below cost of production 9 years out of 10.

Without the government subsidy, the American farmer could not have continued feeding the world. It is only fair for the people who buy food below cost of production to help pay that cost. (In fact, farmers have been subsidizing consumers since the first man with a hoe.)

But would it not be sensible--and certainly more economical--for the consumer to pay for his food directly than to send the money to the farmer via Washington?

Everyone knows that a dollar shrinks everytime it goes through government hands. Think how many hands the food dollar goes through from consumer to producer via the subsidy.

How many consumers know that 88 one-pound loaves of bread can be made from one bushel of wheat? And how many are aware that it costs, on the national average, $1.60 to produce a bushel of wheat that sells on the current marekt for $1.25?

The big argument for limiting government subsidies to $20,000 per farmer is that $20,000 is sufficient income for any farmer. If the farmer actually got to keep the $20,000 there would be precious few complaints. But it does not work that way.

It is true that the bigger the farm operation, the smaller the required margin of profit, so the consumer might understandably favor the big farmer. But the small farmer is the backbone of America; we lose him at our peril.

Take for example a family-sized farm of 500 acres of good irrigated land: It should have an annual income of about $50,000--government subsidies included. For the last five years the actual expense involved in farming that 500 acres have been about $40,000 a year.

The average farm family has about $2,400 in exemptions, another $2,400 in deductions, $5,000 in depreciation, $6,000 interest, and a mortgage payment of about $5,000. This adds up to a deficit of $10,800 a year. How long is a farmer expected to survive this?

In spite of the hated subsidy, farmers are going broke. The small and the weak farmers are already gone; the big ones and the strong ones are going. And the rural banks that have faithfully financed the farmers are beginning to close their doors.

Subsidizing the railroads, shipping lines, and education has been profitable. Subsidizing farmers has not been profitable; it has annihilated more than half of them. Subsidies should be discontinued in favor of parity prices for farm products.

Subsidizing the poor would be even more disastrous. Even now, good laborers are almost impossible to find.

Wealth comes from work; and too many people will not work unless forced for survival. If our nation is to survive, we all must work together. American businessmen simply cannot run their business, do all the labor, and feed the idle poor, too.

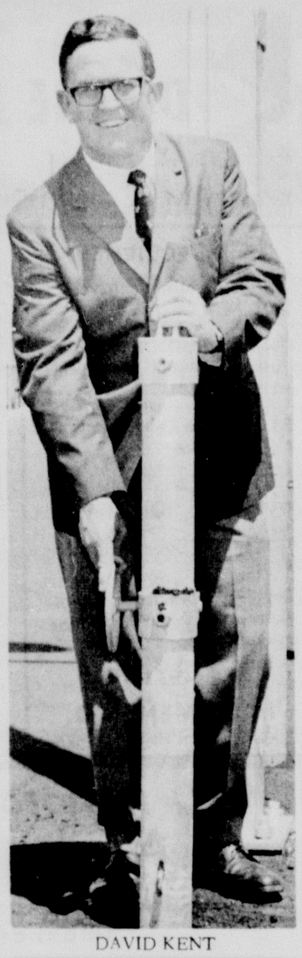
VBS Underway For Lutherans

"Living God's Way" is the theme for Vacation Bible School activities being conducted this week at St. Paul Lutheran Church in Canyon with Rev. Samuel H. Nafzger, minister.

The church school, which began Monday, will conclude after lessons on Friday. Teachers include Mesdames Boe Hollis, Peter Peterson, George Loudder, Alvin Kuhlman and Miss Cindy Kuhlman. Mrs. Gerald Schultz is in charge of music and Mrs. John Green is church school director.



DAVID KENT

Tennis Coach Hired At WT

David Kent, whose Midland High School teams compiled a 101-14 record in duel matches, Monday was hired as tennis coach at West Texas State University.

Kent will join the university coaching staff Sept. 1, just shortly after receiving his master's degree in education from West Texas State.

The 33-year old Amarillo High School and Texas Tech graduate has been outstanding as both a player and a coach. His Midland High teams have won 37 of 39 duel matches during the past three years, have captured 28 tournament team titles and have won two district crowns.

Two of Kent's players, Betsy Worden and Barbara Lain, combined to win the state high school girl's double championship in 1961. Bill Griffith and Dewayne McCullough reached the state finals this past spring and Kenny Roach was a state tourney semi-finalist in 1962.

Five players who were coached at Midland have attended colleges on tennis scholarships and this past spring all three of his top boy players received tennis scholarships. Four state championships were recorded by Midland players this past weekend in the state Jaycee tournament at Arlington.

At Amarillo High School Kent lettered three years in football and three in tennis. He was a district champion in tennis all three years and twice advanced to the state tournament. He teamed with Ronnie Smith to reach the doubles finals in his senior year and was a semi-finalist in singles as a junior.

Kent lettered four years at Texas Tech, where he received his bachelor's degree in marketing in 1958. He teamed with Billy Gowan to win the Border Conference doubles title as a sophomore. During his senior year he won 18 of 21 singles matches. He was team captain two years.

He coached at Amarillo High School in 1959 and 1960 before moving to Midland. During that time he was president of the Amarillo Tennis Association.

Besides coaching at Midland High he served as tennis instructor at the Midland Racquet Club and for the past two summers has been the tennis instructor at Amarillo Country Club.

For two years, 1965-66, he was president of the Texas Tennis Coaches Association. He was on the executive committee of the Texas Tennis Association from 1962 to 1965 and is presently on the Spalding tennis advisory staff.

This past weekend Kent teamed with Ike Groce of Abilene to win the Midland Open doubles crown for the fourth straight year. Two weeks ago he captured the singles title in the Amarillo Open.

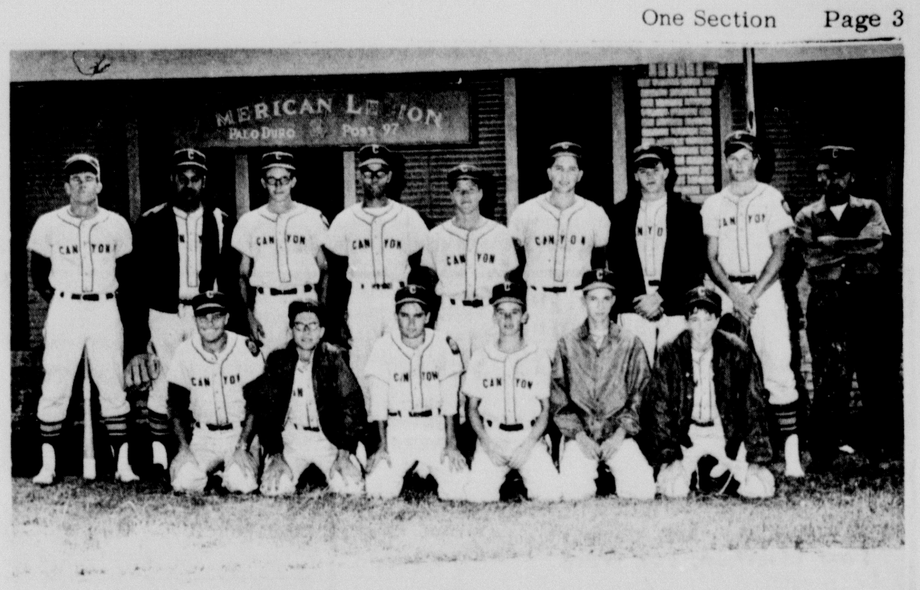
In 1959 and 1965 Kent captured doubles crowns at the Tri-State Tournament in Amarillo. He and S. L. Shofner won in 1959 and Jerry Johnson teamed with Kent to win in 1965. Both years Kent lost to his singles partner in the singles finals.

Kent's biggest singles win was beating Johnson, who three times won the National Public Parks doubles crown in the 1964 Midland City Tourney.

Kent has won the Midland City crown eight times. He retired a trophy with three victories in the Abilene Open and retired another challenge trophy with three championships in the Midland Open.

In 1965 he and Johnson were ranked third in the state in doubles. His highest single rating in Texas was 13th in 1966.

Kent is married to the former Eileen Jacobson, who also played tennis at Amarillo High. They have three children, Tanya, 12; Todd, 10; and Trey, 5.



American Legion...

Not pictured are Steve Russell, Gaylen Davis, and Frank Beecher.

Pioneers Club Planning Picnic

Social Pioneers Club met last Thursday at the home of Mrs. Fred Marshall with Mrs. J. P. Hammons, president, in charge of the business session as plans were made for an annual summer picnic.

The club's picnic was set for August 28 at the backyard of Mrs. T. T. Fain's home. Members are reminded to furnish dishes, silverware and covered dish food for the event. Special guests will be members of both Canyon and Palo Duro Mother-in-law clubs.

Mrs. H. C. Gentry opened the meeting with a devotional and readings. Other members furnished various readings during the session including Mrs. Fred Marshall who gave "Wedding Spring Flowers".

It was reported that get-well cards have been sent to a number of ill club members and friends.

Refreshments were served to members including Mesdames T. T. Fain, H. C. Gentry, J. P. Hammons, C. W. Dunn, R. E. White, John Hilgenfeld, Rae Walters, Lewis Harvey, Fred Marshall and Mrs. W. R. Crawford, a new club member.

Greenfield Rites Held

Funeral services for Gorden Myers Greenfield, 70, were conducted Wednesday morning at the First United Methodist Church of Happy.

Rev. Oland Butler of the Happy First United Methodist Church officiated with assistance by Rev. Woodrow Adcock, pastor of the San Jacinto United Methodist Church of Amarillo.

Interment was at the Happy Cemetery, under the direction of LaGrone Funeral Home of Canyon.

Mr. Greenfield died at St. Anthony's Hospital in Amarillo June 30. He had been a resident of Happy for 50 years and was a farmer and member of the First United Methodist Church of Happy. He was born September 5, 1898 in Texas and married the former Velma Edmonds May 30, 1921 in Happy.

Pallbearers for the service were Hobie McManigal, Pete Odom, Vernon Wilhelm, Shirley LaRoe, Carl Sims and Carol Sims. Honorary pallbearers were members of the Goodwill Sunday School Class.

Survivors include his wife; two daughters, Mrs. Fred Gleason of Amarillo and Mrs. Charles Osgood of Denver, Colorado; four grandchildren, Terry H. Pevehouse of Amarillo, Susan Osgood, Chuck Osgood and Chris Osgood, all of Denver; one great grandson, Terry H. Pevehouse, Jr.; two brothers, Harry Greenfield of Salem, New Mexico and C. J. Greenfield of Happy; and a number of nieces and nephews.

Patriotic Service Set

"As A Christian Citizen" will be the theme for a special patriotic program of hymns and songs at the 11 a.m. Sunday worship services for St. Paul Lutheran Church of Canyon.

Rev. Samuel Nafzger will be in charge of the service which is open to the public. Accompaniment at the organ will be by Mrs. Gerald Schultz.

Bible Family Reunion Set

Annual reunion for the Bible family will be held at Lake Altus, Oklahoma July 18, 19 and 20.

Paul Bible resides at the old family home at Hollis, Oklahoma and the families of the late Jim, Cecil and John Bible reside in and around Canyon and throughout the Texas Panhandle. Charlie Bible's family resides in Oklahoma City and the families of Della Hassel and A. Rollins also live in Oklahoma.

Friends and relatives are invited for the reunion which will feature the main gathering on Sunday, July 20 with a basket lunch.

Moores Attend Lubbock Play

Mr. and Mrs. William A. Moore, directors of the musical drama "TEXAS", attended the opening performance Sunday of "Stop The World I Want To Get Off" in Lubbock.

The play by Leslie Bricusse and Anthony Newley is the third production of the Summer Repertory Theatre at Texas Tech.

The Moores were guests of Professor Ronald Schulz, director of the University Theatre at Texas Tech.

Moore said the production was directed by Seymour Penzner, a professional actor from New York, who is guest instructor and director at Texas Tech for the summer.

Penzner and Dr. Howard Malpuas of Miles College in Calif., will be honored by Professor Schulz at a theatre party to attend "TEXAS" when the production in Lubbock closes, Moore said.

Speaker Says Tax Bill Big Barrier

Speaker of the Texas House Gus Mutscher promised to cooperate with Governor Preston Smith in an effort to solve the state's fiscal problems in a special session of the legislature.

Mutscher was in Canyon last week end for the season's opening performance of "TEXAS".

He correctly predicted that Governor Preston Smith would call the special session for July 28.

The speaker said the real test in the special session will be the tax bill it must draw up to fund a two-year appropriation.

A one-year appropriation bill was vetoed by the governor.

Mutscher said there will be no effort to override the governor's veto.

"We gave the people of Texas a workable program without the need for new taxes but there has been an honest difference of opinion as to how the matter should be handled," said the speaker.

"I understand the governor's powers, duties and responsibilities. We will work in a cooperative manner to help solve the problem in the special session. There will be no effort to override the governor's veto."

Mutscher said he is awaiting the governor's recommendations and said he will be given an early hearing before the revenue and tax committee in the House.

Mutscher warned that in spite of a cooperative attitude, hammering out an acceptable tax bill in a 30-day special session will be no easy matter.

Officers of the District 2 Chiropractic Association are shown from left, standing, Dr. Robert West, president, Canyon; Dr. Dave Whitehead, vice-president, Perryton; Dr. Ralph Whitehead, Dumas, district director; and Dr. Perry Morren, Childress, director. Seated are Dr. Herbie McMennamy, Amarillo, state director; and Dr. Ann Hartfelder, Amarillo, secretary-treasurer. Dr. Lee Hartfelder, Amarillo, a district director, is not pictured.

Entries Show Scores

Tascosa Country Club in Amarillo was the site of a pro-am tournament held last week with nine Canyon golfers entered.

The first flight with a total of the two best balls was won by the team of Phil Branch, Dr. Jim Vanderlaan, Jess Anderson, and Mrs. Mildred Neill of Hunsley Hills. They came in with a score of 133 for 18 holes.

Leo Daniels, Jerry Barrett, of Hunsley Hills, Tony Sullivan, and Jim Bell came in with a total of 134.

Tied in the Pro-Pro sweepstakes with a low ball of 70 was the team of Al Forrester of the Canyon Country Club and Cal Garrett against Bob Baker and Larry Caplan.

Those entered from the Canyon Country Club were Al Forrester, Jackie Whitley, Richard Pruett, Chuck Allen, and Ray Carnahan. Those from Hunsley Hills were Vern Farquar, Tommy Rose, Mildred Neill, Jerry Barrett, and Chuck Allen who is also a member of Hunsley Hills.

Mr. and Mrs. Jim Bob Brown and Julie of Houston were in Canyon this week visiting with Mr. and Mrs. Kent Peeples of 608 27th Street. They also visited with his parents in Dalhart before returning to Houston.

Mrs. Thomas Allen Gardner

Goodman-Gardner Double Ring Vows Exchanged

Miss Martha Annette Goodman became the bride of Thomas Allen Gardner in ceremonies Friday evening, June 27, at the Pleasant Valley United Methodist Church in Amarillo with Rev. Keith Wiseman, pastor, officiating at the double ring rites.

The bride is the daughter of Mrs. Kenneth B. Goodman and the late Mr. Goodman of Amarillo and granddaughter of Mr. and Mrs. A. K. Goodman of Canyon. Parents of the bridegroom are Mr. and Mrs. Don B. Gardner of Amarillo.

Mrs. Emmett Waggoner played the organ and Miss LuAnne Graham was the vocalist. The vocalist sang "More", "The Twelfth of Never" and "O, Perfect Love".

Two brass urns with pink roses and baby's breath and two brass candles were in the background with a flanking arrangement of two seven-candle candelabras decorated with greenery and tiny white flowers.

Cynthia Goodman, sister of the bride, was maid of honor. Bridesmaids were Miss Cynthia Martin of Amarillo, Miss Connie Stout of Amarillo, Miss Debbie Hodges of Panhandle and Miss Jamie Olson of Canyon.

They wore floorlength gowns of pink sparkle crepe with empire waistlines emphasized with matching pink lace. Each carried a single long-stemmed white rose with pink ribbon streamers. Their headpieces were pink tulle centered with matching pink bows.

Flower girls were Miss Jacki Goodman and Miss Marilynne Goodman, sisters of the bride. They wore floorlength pink sparkle crepe dresses with puffed sleeves, lace in the empire waistline and tied at the back with contrasting pink bows which hung to the floor.

Candlelighters were Jim Slack and Lori Slack of Canyon, cousins of the bride. Lori wore a short white dotted swiss dress with pink sash.

Kyle Gardner of Amarillo, brother of the bridegroom, was best man. Groomsmen were Ron Gardner of Houston, brother of the bridegroom, Dale Miller of Amarillo, Jim Fredricks of Amarillo and Bobby Garrett of Amarillo. They wore tuxedoes with white jackets accented with single white rose boutineers.

The groomsmen, Miller and Fredricks, were ushers for the event along with Bobby Garrett of Amarillo.

Given in marriage by her grandfather, A. K. Goodman of Canyon, the bride wore a creme silk peau de soie gown designed with portrait neckline, short sleeves and an A-line skirt. Alencon lace enhanced the sleeves and completely edged the hemline. A pattern of Alencon lace was also traced on the Empire bodice and encircled the waistline. Seed pearls were reembroidered on the lace patterns of the gown.

She wore a matching cathedral veil of English net edged and beaded with matching lace. Miniature self-covered buttons and bridal loops completed the design of the gown.

She carried a bouquet of three long stemmed white roses and baby's breath with an heirloom handmade lace handkerchief.

Fellowship hall of the church was the site for the wedding reception where the table was decorated with a white cloth featuring pink ribbons draped on the table. A pink fruit punch with fresh strawberries was served and the three tiered wedding cake was white with pink roses. The table featured a centerpiece of pink daisies flanked with white candles decorated with pink ribbon.

Serving at the table were Miss Maribeth Oglesby, cousin of the bride, from Canyon; Miss Susan Bradley of Hereford, Mrs. Gary Sorrell of Amarillo and Mrs. Dale Miller of Amarillo.

Distributing rice bags to guests as the couple left the church were Brad Oglesby and Kay Lynn Oglesby, both of Canyon, cousins of the bride.

Registering guests for the wedding reception was the bride's cousin, Lynette Slack.

For a wedding trip to Dallas and Six Flags Over Texas, the bride changed to a peach and white double knit two-piece suit with short sleeves, high neckline and had complementing white accessories.

The couple will establish their home at 1908 Wisdom, Apartment 14, Amarillo.

The bride is a student at West Texas State University and has been employed with the WTSU library. She is a junior English major planning her degree in secondary education.

Also a junior student at WT, the bridegroom is employed as manager of the Western Burger Chef in Amarillo. In college, he is majoring in psychology and plans to enter the field of clinical psychology upon graduation.

Miss Brown Is Honored

Miss Carol Brown, bride-elect of Ronnie Gene Mathews, was the honoree at a miscellaneous bridal shower Thursday at the home of Mrs. Marcus Adair.

Receiving guests at the event were the bride-elect's mother, Mrs. Hatcher Brown, and sister, Mrs. John Alan Sanders of Edmond, Oklahoma as well as Mrs. Adair and Miss Brown.

Mrs. Kenneth Branum presided at the guest book.

The serving table carried out the bride-elect's chosen colors with a white lace cloth, yellow, white and green centerpiece with silver appointments.

Mrs. R. D. Wheelock played piano selections at the event.

Co-hostesses with Mrs. Adair were Mesdames Frank Begert, Otis Burk, Wendell Cain, Kenneth Erwin, W. F. Haggard, D. E. Huyck, R. P. Jarrett, Jack Jennings, W. Mitchell Jones, Floyd Kiser, T. H. Lair, W. E. Miller, Fred K. Olson, Borden Price, E. Priddy, Tom Platt, E. R. Reeves, J. B. Roberts, Fred Stoker, J. L. Upshaw, R. D. Wheelock and John Whinnery.

Little Miss Is Honoree

Miss Janna Lee Harman, infant daughter of Mr. and Mrs. Ricky Harman, was the honoree at an informal baby shower Tuesday afternoon in the home of Mrs. Dwyane Dennis.

The refreshment table, laid with a pink cloth, was centered with a spring bouquet of daisies.

Assisting Mrs. Dennis with hostess duties were Mesdames J. B. Roberts, Wayne McNeill, Bob Wilkinson, Henry Northcutt, Ronald Brock, Gordon Downing and Hampton Lisle.

Recent guests in the Pat Britain home have included her sisters, Mrs. Effie Atkinson of Quanah, Mrs. Eddie Atkinson of Childress, and Mrs. Jean Swafford and daughter, Lana Kay, of Amarillo. Also visiting in the Britain home was a niece from Chilicothe, Debra Chapman.

Mrs. Wayne Brewer

Vows Unite Couple Here

Miss Sharon Philley and Wayne Brewer exchanged double ring marriage vows Friday, June 27, at Ridgecrest Baptist Church in Amarillo.

The bride is the daughter of Lucille Philley of Canyon and Wayne Philley of Perryton. Parents of the bridegroom are Mr. and Mrs. Jess Brewer of Canyon.

Shary Kerbel sang "The Twelfth of Never" and "Whither Thou Goest" with Mrs. Quesenbary as organist accompanying. The altar was arranged with candelabra, greenery and sprays of white gladioli and apricot carnations. There were eight aisle candelabra with garlands of greenery and streamers of ribbon.

Mrs. Marilyn Phillips, cousin of the bride, was matron of honor. Briesmaids were Shelley Yates and Janice Hand. Junior bridesmaid was Debra Philley, sister of the bride. The bridal attendants wore apricot dresses of silk material with matching shoes and white wrist length gloves. Their bouquets were apricot carnations with hemline streamers of ribbon arranged in a colonial style.

Tom Lair was best man. Groomsmen were Stan Hanson and Gary McAtee. Junior groomsman was Steve Sampson, cousin of the bride.

Groomsmen, Hanson and McAtee, served as ushers for the occasion.

Given in marriage by her father, the bride wore a formal floorlength wedding gown of Angel skin peau de soie over taffeta, designed with an empire waist, scoop neckline and long tapered sleeves. The bodice and sleeves were complemented with inserts of re-embroidered lace. Sequins enhanced the bodice, front and sleeves of the gown. A detachable watteau train accented the gown. Her veil of imported illusion was held to a coif and she carried a colonial style bouquet of phaelanopsis orchids encircled with apricot carnations with hemlength streamers of ribbon.

Fellowship Hall of the church was the site for the wedding reception. The table was covered with a white chiffon draped cloth and centered with a three tiered white and apricot colored wedding cake. Accenting the table was a white candelabra encircled with the bridesmaid's apricot bouquets. Serving at the table were Mrs. Jan Henard of Wellington, cousin of the bride, Miss Susan Swatzell and Miss Clare Yates, both of Canyon.

For a wedding trip to Carlsbad Caverns and other points in New Mexico, the bride changed to a brown and white cotton linen dress with brown coat and white patent accessories.

The bride is a 1969 graduate of Canyon High School. Her husband graduated from CHS and is a junior business major at West Texas State University here. The couple will live at 1815-A Fourth Avenue, Canyon.

Miss Sherrie Evans-Gilmore Exchange Vows Here

Canyon's First Assembly of God Church was the wedding site for Miss Sherrie Lynn Evans and Glenn Gilmore Saturday evening, June 28, with Rev. A. J. Pettit officiating at the exchange of double ring marriage vows.

The bride is the daughter of Mr. and Mrs. Jimmie W. Evans of Canyon. The bridegroom is the son of Mrs. L. A. Gilmore and the late Mr. Gilmore of Wellington.

Two seven candle arbors with blue candles, white carnations and greenery decorated the church platform for the ceremony. Mrs. Earl Gene Peppard played organ music and accompanied the vocalist, Frankie McNew, who sang "Because" and "The Lord's Prayer." Organ music for the bride's entrance and the Wedding March were given by Linda Vanlandingham.

Candlelighters were Martha Gail Martin, cousin of the bridegroom, and Dwayne Evans, brother of the bride. Flower girl was Barbara Campsey of Amarillo. Registering guests at the wedding was Miss Patricia Lowery, cousin of the bride. Ringbearer was the bride's brother, Roger Dale Evans.

Miss Debbie Gordon of Canyon was the maid of honor. Bridesmaid was Miss Cynthia Kershman of Depew, Oklahoma and Mrs. Clifford Cunningham of Irving was bridesmatron.

Best man was Joe Gilmore of Dade City, Florida, cousin of the bridegroom. Groomsmen were Clifford Cunningham, brother of the bride, from Irving and John David Prosser, cousin of the bride, from Amarillo.

Ushers were Ronnie Prosser of Amarillo and Ronnie Cheek of Happy, both cousins of the bride.

Given in marriage by her father, the bride wore an ankle length gown of bridal satin covered with imported lace. The scalloped neckline was decorated with sequins and seed pearls. Her veil of illusion was held to a crown of pearls and she carried a bouquet of white baby carnations and a white orchid surrounded with white stephanotis atop a white Bible. She wore a string of pearls, which were a gift of the bridegroom.

Fellowship Hall of the church was the scene for the wedding reception. The table was laid with a lace tablecloth over blue featuring a centerpiece of blue carnations and white stephanotis. The three tiered wedding cake was decorated in the bride's chosen colors and the reception room featured blue and white streamers with white wedding bells. Cake, punch, nuts and mints were served to about 100 wedding guests. Serving at the table were Miss Judy Brummett, Miss Dana Cheek, cousin of the bride, and Miss JaTonii Patterson.

For a brief wedding trip, the bride changed to a yellow linen dress with empire waistline featuring white accessories and the orchid corsage lifted from the bridal bouquet.

The couple will establish their home at 604 9th Avenue in Canyon.

The bride will continue her studies at Canyon High School this fall and the bridegroom will be a senior at West Texas State University here.

Miss Sherry Winters

Marriage Planned

The engagement and approaching marriage of Miss Sherry Winters to Larry Paul Robinson is announced by Mr. and Mrs. Raymond Winters of southeast Amarillo, parents of the bride-elect.

Mr. and Mrs. L. C. Robinson, north of Canyon, are parents of the prospective bridegroom.

Wedding vows are being planned for July 31 at St. Paul Lutheran Church in Canyon.

Miss Winters is a graduate of Canyon High School and her fiance will be a CHS senior this fall. He is employed with the Randall County Feed Lots.

Stork Shower Honors Given

A surprise stork shower honoring Mrs. Royce Cox was held Friday in the home of Mrs. Gene Crowder with Mrs. Tommy Terrell as co-hostess.

About ten friends were present for the occasion including Mrs. Cox's mother, Mrs. Russell Guill of Canyon.

The table was laid with a party cloth centered with a lamb-shaped vase with pink and blue flowers and flanked with a stork and candles for the event.

HD Agents To Convene In August

A state county home demonstration agent's session will be held August 7-9 in Amarillo with headquarters at the Herring Hotel.

Mrs. Becky Hall, Randall County home demonstration agent, will be among those from District I serving as hostesses for the state meeting.

Cula Nowlin, HD agent from Perryton, is in charge of planning the schedule for the three-day program. Included on the agenda will be tours through points of interest in Randall County, Hereford, and Friona with a group attendance at the outdoor drama "TEXAS" in Palo Duro Canyon State Park.

Ruth Gidden-Hinders Nuptials Are Read

Ruth Gidden of Canyon and Lawrence Hinders of Amarillo were united in marriage rites Sunday afternoon at 3:00 p.m. in the Gidden home.

Attendants at the occasion were Irene Chamberlain of Spring Creek and James J. Hinders of Amarillo, son of the groom.

The ceremony, performed by Rev. James Franz, pastor of the Wayside Baptist Church, was followed by a reception held in the home with immediate family and close friends attending.

The tea table covered with a white linen cloth was centered with the traditional wedding cake topped with white sugar wedding bells. Other table appointments were of crystal and silver.

The bride's dress was street length and made of ecru linen designed with a three paneled front with the center panel overlaid with ecru lace. A matching coat was made of ecru lace. The bride wore a necklace of gold and amethyst, a family heirloom, for something old, and a corsage of yellow roses. Ostrich leather shoes and a matching bag completed the accessories.

The bride's attendant wore a dress of ecru linen with brown embroidery and accessories of bone. Her corsage was of white roses.

Wedding music was played by Mrs. Marvin P. King of Dumas and Iresia, Joe and Marna Lynn King sang "I Love You Truly".

Presiding at the serving table were Mrs. Grace Knighton, Mrs. Crews Henry, Mrs. Rae Walters, Mrs. Ruth Carleton, Mrs. Roger Dugan, and Mrs. George Stevens.

Mashari Lee King and Suznne Carleton registered guests at the guest book.

After a trip to Red River, New Mexico, the couple will make their home in Canyon.

Assistant Dean Named

Weldon Trice, 46, has been named assistant dean of student life at West Texas State University. He is now serving as assistant principal at Pampa High School.

Trice will assume his duties Aug. 1, when Bob F. Neeb, former assistant dean, leaves for his new post at Texas Christian University.

Assistant principal at Pampa since 1962, Trice did hold the additional position of athletic director of Pampa schools until 1968.

Trice received both his B. A. in 1950 and his M. E. in 1954 from WTSU. He is enrolled for the first term of summer school here.

Coming to WTSU in 1942 from Childress High School, Trice was well on his way to establishing himself as a college athlete when World War II interrupted his career for four years. He returned to serve as captain of the Buffalo football team in 1949 and the following spring was elected captain of the golf team.

Following graduation, Trice coached one year at Lefors before accepting an assistantship at Pampa under Tom Tipps in 1951. He has been associated with the Pampa schools for 18 years.

Mr. and Mrs. Trice have four children. They are Mrs. Mike Hutcherson of Plainview; Terry, 20, who will be a junior at WTSU this fall; Ricky, 19, a former WTSU sophomore now in the armed services; and Teddy, 17, who will be a junior at Canyon High School this fall.

country such as Russia and not just the United States," he said.

He said he thinks about half of the people in Sweden are against America's involvement in Vietnam although most do not actively demonstrate against it.

Robert said he is not satisfied with the socialist system of government in Sweden.

"I don't think that in a highly developed country that it is right to have a socialist system," Robert said.

"Perhaps when you have to build up a country like China they have to use socialism to get up to a higher level but when you get up to that level, it isn't right," Robert said.

He said he feels Sweden has reached the point in development where more competition would further build the economy.

Robert said his father is a private dentist and has nothing to do with the government in his practice as do the dentists employed by the government.

He said that in Sweden if a person goes to a doctor, he pays for the doctor's service but he gets two-thirds of the cost back from the government.

If a person goes to the hospital, all of his care is free. "This gets much more expensive because people go to the hospital for almost nothing and lie there longer than they need to so it's not the best way."

Robert feels the system of moral values practiced in Sweden is better than that of the United States.

"Young people in the United States don't go around worrying about not having what we have but they can't miss something they don't know too much about. They should know more."

Robert said sex education had been taught in the Swedish schools for many years where it hasn't been taught in the United States.

He said the high rate of illegitimate births in Sweden is considered a problem but that the way to correct this problem was through better education about birth control.

He said that for several years the population in Sweden decreased and that the country had to import workers.

Now the government gives a family $40 each three months for each child they have so the families can have children without economic problems and the country can build up the population.

Robert said he feels the high suicide rate among young people in Sweden is due to pressure in school and from narcotics

He said his brother and also a friend went to school in the United States for a year and that both feel the schools were much easier here.

He said schools in Sweden require more of a young person in school and also give them much more work outside of school. "It's harder to go to school in Sweden," he said.

He said Sweden also has a big problem with narcotics such as marijuana and some with LSD even though there are laws against both.

He said drugs are smuggled in from other countries and also that Swedish young people travel to other countries so much more than American young people that they come in contact with the drugs there.

Robert has two more years in high school and then he would like to go to the university in Sweden to study economics.

Then he would like to work for a big company or start a business for himself, he said.

He said he would like to come back to the United States and work for a while someday.

Since he has been in the United States, Robert has visited the space center in Houston and Carlsbad Caverns in New Mexico.

The Waughs plan to take him to Grand Canyon this weekend and to Mesa Verde to see some Indians.

Robert said he had never seen an Indian and he wants to see how they live and what they look like.

Robert said the country here is much flatter than Sweden, that there are not so many lakes here, and that it was warmer. He said the people are not much different.

Robert talked to the Lions Club Wednesday about his country and Swedish life.

Mrs. Waugh said her family has enjoyed having Robert stay with them and they would like to keep him all year if it were possible.

and Lynn Wright.

Winners of the major league were the Yankees with a 10-6 record. Second place was still undecided Wednesday, according to Davis. The Braves hold second place but they could tie with the Astros depending on Wednesday night's game.

The Dodgers are third with a 3-12 record.

The minor and pee wee leagues will play their last games to decide the standings this week, Davis said.

Tomboys First In Softball

The Talented Tomboys, coached by George Blackwell and Mrs. Jody Magness, took first place in the Girl's Softball League with a 10-0 record.

The Undertakers with Coaches John Braboy and Gail Call came in second with an 8-2 record.

Cox's beauties, coached by Elton Cox and Chris Tucker, and the Backstop Beauties, coached by Ernie Carlson and Margret Adams, tied for third place with a 6-4 record.

The two teams in the league from Happy came in 4th and 5th.

Members of the All-Star team will play their mothers in a game at 7 p.m. Friday, according to Blackwell.

Members of the All-Star team are Judy McBroom, Lynn Davis, Nikki McCarter, Debbie Abbott. Vicki Abbott, Susan Cox, Maureen Gidden, Debbie LaQueta, Marilyn Robinson, Joy Williams, Janet Curtis and Zady Caldwell, all of Canyon.

Members of the All-Star team from Happy are Amy Wallace, Penny Eads, Connie Haney, Mary Ann Sims, Rhonda Fellers and Jane Whitlow.

Two Happy Students Take Trip

Two students from Happy have returned from a Government-in-Action trip to Washington, D. C.

The two Happy students, Joan Harman and Barry Stevens, were sponsored by the Swisher Electric Cooperative. During the Congressional Reception, they met Bob Price of the 18th District and visited with him in his office.

Ralph Yarborough held a coke party for the teenage delegation from Texas.

Miss Harman was selected to speak to the general assembly of the State Rural Electric Cooperative at their San Antonio meeting August 13-15, where she will tell of the Washington trip to members.

Capers Have Square Dance

Canyon Capers Square Dance Club met Monday with Knox Day calling and Leroy Pitt giving tips.

Guests were Frank and Nita Hooper.

Knox Day will be calling for a dance in Plainview July 12 and all local members are invited.

Lewis Tucek, president, reminded members of the upcoming election for club sweetheart.

The Knox Days are having a birthday party for club members on Saturday, July 5.

Bobby Fox Named To Buffaloes' Berth

Bobby Fox, 34, has been named assistant coach for the West Texas State University football team for this fall, according to Joe Kerbel, head coach and director of athletics. He will coach offensive ends and punters and aid in recruiting.

Fox comes from Tarleton State College, where he served as backfield coach from 1966-68. He began his coaching career, however, as an assistant football coach at Kaufman, Tex.. High School in 1956. Two years later, he accepted an assistantship with Texarkana Junior College. In 1961 he became head football coach at the college.

Fox climaxed his career at Texarkana in 1964 when his team captured the Texas Junior College Federation championship with an 8-3 slate.

The following year Texarkana dropped football, but Fox stayed on for one year as chairman of the department of physical education. While as head mentor at TJC, he compiled an 18-19-2 record.

In high school at Kaufman, Tex., Fox was an all-round athlete, lettering four years in football, basketball and track. He was named to all-district teams as a quarterback and as a basketballer.

Fox continued his football career at East Texas State College, where he lettered three years as quarterback and defensive back. In 1954 and 1955 he was listed as an All-Lone Star Conference quarterback.

A brief time in 1956 was spent by Fox with the Baltimore Colts as a defensive back.

From East Texas State, Fox boasts a B. S. in physical education and a M. E. D., taken in 1962.

Married to the former Peggy Bankhead of Commerce, Tex., Fox is the father of two sons, Mel, 11, and Kevin, 7.

New Pastor For Happy Methodists

A new minister for the First United Methodist Church of Happy has been assigned recently.

Named to fill the pastorate is Rev. Oland Butler, formerly of White Deer for the past five years.

Rev. Butler will replace Rev. James Merrell who has moved to Merkel.

A native of Hardeman County, Rev. Butler received his training at McMurry College and theological training at Southern Methodist University in Dallas.

He and his wife, Geneva, have three sons, Oland Jr. of Midland, Stanley of Pampa and Wayne of the home.

Presbyterian Camp Planned

A week end camp for Presbyterian families of the Plains Presbytery has been set for July 11-13 at Ceta Glen Christian Camp.

A children's program and care will be provided while parents are in meetings. Dr. Samuel Fine, Jewish layman from Amarillo, will be the guest speaker.

A showing of the Academy Award winning film "Why Man Creates" will be shown during the camp.

Local registration may be made with Fred and Rosanna Olson, 1200 9th Avenue.

Services Today For M. Bosley

Funeral services for Sie Maxwell Bosley, 71, will be at 2 o'clock this afternoon, Thursday, at LaGrone Funeral Chapel in Canyon.

Mr. Bosley died Wednesday, July 2, at the home of his son, Max, Jr., at 1605 Ninth Avenue, Canyon.

Rev. Ivan Adams, pastor of the First Christian Church of Canyon, will officiate at the funeral services. Interment will be at Dreamland Cemetery, under the direction of LaGrone Funeral Home.

Mr. Bosley had resided in Canyon for 42 years, moving here from Amarillo. His residence was 1104 Second Avenue.

He was born at Gainesville April 17, 1898. He was a retired carpenter and a member of the First Christian Church of Canyon.

Survivors include his son, Max, Jr. of Canyon; a daughter, Mrs. Riley Hooper of Amarillo; a brother, Cecil Bosley of Canon; two sisters, Mrs. Martha Morgan of Tonasket, Washington and Mrs. Juanita Beasley of San Luis Obispo, California; and five grandchildren.

Lady Golfers Hold Tourney

A partnership tournament was held Tuesday at the Canyon Country Club when the Ladies Association held their regular day of play.

Winners of the first place spot were Mrs. Don Holtzclaw and Mrs. Stan Elliott who came in with a net score of 52.

Second place winners were Mrs. James Lawson and Mrs. Bobby Rex Griffin with a net score of 67.

Scores were combined for the low net to decide winners for the tourney.

A new member, Mrs. David Davidchik, was added to the association's roster.

Other entries in the tourney were teams of Mrs. Duane Guy-Mrs. Ray Carnahan, Mrs. Duane Howard-Mrs. Gary Garner, Mrs. Robert Burton-Mrs. Bill Lee, and Mrs. Bill Harp-Mrs. Whitey Voelm.

Building Slated For WNB

A new building will be constructed in Randall County in the near future to house the Western National Bank and other offices.

The location of the bank will be at Hobbs and Mockingbird Lane in Amarillo but no date has been set for the groundbreaking, according to John Stevens, president of the bank and Lonnie Smith, developer.

The building will be six levels with 40,000 square feet of floor space and will cost approximately $750,000.
